There are things to do in the area and hosts will be glad to help you find them. Lake Ontario is about 12 miles away and Syracuse is about 20. There is a lot of history in the area, including the Underground RR. Dry camping, so come with water and fuel and an empty holding tank. Would you like a tour of an old church that was part of the Underground RR? Let us know and we can arrange it. There is a very small charge (\$2-3) and it goes to the church for upkeep.
